

## WIRELESS AUDIENCE RESPONSE SYSTEM

AV Solutions can offer this interactive audience participation tool for meeting attendees to respond to questions from the meeting facilitator by pressing the appropriate key on the individual wireless keypads

AV Solutions will work closely with your team and presenters to ensure that all programming is integrated with the Audience Response System prior to the event.

### **Audience Response System Uses:**

- Medical Research Conferences
- Sales Meetings
- Focus Groups Breakout Sessions
- Strategic Planning
- And many others
